

**FLAMING SOLIDARITY WITH
OUR ANARCHIST COMRADE
GIANNIS MICHAILIDIS
ON HUNGER STRIKE
NOTHING LESS THAN EVERYTHING
UNCEASING STRUGGLE TO THE END**

*And finally, knowing that it is possible that this strike may be
the last part of my journey, I wish to give it precisely
that dimension which expresses me as a whole*

*The struggle for the freedom of one
the struggle for the freedom of all...*

until the destruction of the last cage...
