

DESTROY BORDERS.

DESTROY SLAVERY!

Xenophobia, hierarchy and racism cannot be fought with fratricidal wars sworn on bibles or patriotic flags.

In breaking the silence and indifference of the civilized we want to widen the space for revolt, increase the possibilities for direct attack on the pillars of this world.

The objectives can be seen everywhere: the concentration camps, the airline companies that deport 'aliens', the 'waiting zones', the slave traders, the lines of communication, etc. etc.

Only through direct solidarity will we be able to refuel the social tempest of class war, sabotage and relentless attack where the division into nationals and foreigners, legal immigrants and aliens dissolves in joyous collusion against the enemy that oppresses us all.

Vagabond hearts, enemies of all borders, the world-wide web of insurgents.
